Enriching King Township through arts and culture for all

Mission Statement

Arts Society King promotes, supports and advocates for arts and culture through effective partnerships and innovative events and programs.

Arts Society King (ASK) is a not-for-profit volunteer organization that was established in 2005. ASK'S office and gallery space is located in the King Heritage and Cultural Centre in King City. ASK is sustained through dedicated volunteers and strong community partnerships.

Financial support from donors, artist members and sponsors allows Arts Society King to stay open and accessible, and strengthens our ability to present new and dynamic programming to the entire King Township community.

One of Arts Society King's most effective partnerships is with King Township which has recognized the boundless value of arts and culture within our community.

King Township has acknowledged Arts Society King as an important contributor of cultural experiences that help maintain and fulfill King's socio-cultural identity.

Vision Statement

Enriching King Township through arts and culture for all.

You can help support Arts Society King (ASK) through an annual donation. Your contribution directly supports the work of ASK, and supports arts and culture in King Township.

Be a part of a strong organization that enriches King Township through arts and culture for all.

MOSAiC magazine is Arts Society King's quarterly publication that celebrates arts and culture and showcases life in King. MOSAic features warm-spirited articles accompanied by original art and images of people, and the desirable King lifestyle. Festivals, events, community activities; all that are special about living in King Township and its surrounding neighbourhoods, are shared with the reader.

With a cadre of undiscovered and talented writers and an abundance of artists to choose from, MOSAic gives them the opportunity to shine and be published. The cover always features an original piece of artwork by a local artist and the stories are from a volunteer group of writers.

Arts Society King events, programs and services are planned and executed with ASK'S vision in mind: enriching King Township through arts and culture for all. Many events are free admission so they are accessible, and at the heart of every Arts Society King initiative is a celebration of the local, diverse artistic talent from King's own backyard.

ASK collaborates with community partners to foster spirit and support of each others initiatives. Some include the King Heritage and Cultural Centre, King Township Public Library, King Township Historical Society, Kingcrafts Studio, York Region Arts Council, Humber River Shakespeare Company, The Nature Conservancy of Canada, King Township public and private schools, McMichael Canadian Art Collection, Schomberg Village Association, Write Now@King!, Central Counties Tourism, Friends of SHIFT and Cold Creek Conservation.

STUDIO TOUR KING

The Studio Tour King is one of Art Society King's signature events and is held every spring. It originally started with only a few participants and has grown into a much anticipated yearly event, featuring artists' studios in King City, Nobleton, Schomberg and the surrounding areas of King Township. In addition, guest artists from neighbouring communities can be found displaying their artwork in a variety of public locations. This annual two-day event will have guests touring the idyllic King countryside in pursuit of great art, and admission is free to all visitors.

SCHOMBERG STREET GALLERY

The annual Schomberg Street Gallery is a signature ASK event held in September through a strong partnership with the Schomberg Village Association. It is an outdoor, juried exhibition and sale of quality fine art & crafts, held in the charming historic village of Schomberg. Main Street closes to traffic allowing for full pedestrian access to a wide variety of local artists and their work. Artists line the street displaying original fine art available for purchase. Admission is free to all visitors.
