

Arts Society King *presents*
the 2025 Studio Tour King Art Show & Sale
Information and Application Package

A. General Studio Tour Information

Arts Society King (ASK) is a not-for-profit organization located in King Township, Ontario established in 2005. ASK's office and gallery space is located in the King Heritage and Cultural Centre in King City. The organization's driving Vision is “Enriching King Township through arts and culture for all” and its Mission is “to promote, support, celebrate and advocate for arts and culture through effective partnerships and innovative events and programs”. ASK is an arts organization like no other with a huge following and municipal acknowledgment and support.

This is the 20th year for the Studio Tour King. The ASK Studio Tour King now has its widest reach ever, attracting not only artists eager to participate in the event, but also a wide array of art enthusiasts who anticipate visiting the artists during the studio tour every year.

Studio Tour King will extend throughout King Township and locations will be a combination of artist studios and public locations for those artists without a studio. The goal is always to cluster as many artists as possible, in accessible areas throughout the Township, to increase event visibility and overall attendance. Public locations will be in: King City, Schomberg and Nobleton or as designated by Arts Society King. If you require a public location or guest studio location, the committee will place you based on the following criteria: availability, balance to the tour, how much space you require, fairness to returning artists in terms of previous placements, and your medium. Residential artists are encouraged and welcomed to bring forward guest artists. They are required to submit a separate application.

We are pleased to announce that this year's studio tour applicants will be juried by a group of artists. Once your application has been reviewed, you will receive an official confirmation. Only after your participation is confirmed will your payment be processed. Once processed, there are no refunds.

Please read the entire package. The key information points are:

- The Studio Tour King is April 5 and 6, 2025 from 10:00 am to 5:00 pm
- As a participating artist, you **MUST** help promote the tour (section B)
- This is 'AN ART EXPERIENCE THROUGHOUT KING TOWNSHIP' (section C)

B. Artist Involvement and Responsibilities

Arts Society King has thrived through the years with support from volunteers. The Studio Tour volunteer committee will rely heavily on the support and participation of each and every artist. We are asking that each artist make a contribution to further expand the market reach.

At minimum each artist is required to:

- Pick-up and deliver a minimum of 100 brochures to areas **outside** of King Township.
- Follow the ASK Instagram account @arts_society_king, Follow the ASK Facebook and Studio Tour King Facebook pages: **<https://www.facebook.com/artssocietyking> and <https://www.facebook.com/studiotourking/>**
- Create Facebook posts that include samples of your work / images, your artist biography or information about your artistry process, and tag to our Instagram and Facebook pages. Once ASK receives the notification, we will share your information to our Facebook pages. Many other groups share and like our pages, so the marketing domino effect is an important aspect of our marketing efforts.
- Utilize your own social media channels with this same concept (Instagram, Facebook, etc.).
- Invite your colleagues, former clients, potential clients, galleries, friends and family to see you at the Studio Tour. A special invitation will be created and sent to all participating artists that can be easily forwarded. Please email out the brochure in advance (.pdf will be provided).
- Post the Studio Tour brochure and date and locations on your website or social media (if applicable).
- Pick-up and set-up Studio Tour lawn signs prior to the tour (we will provide a map and further instructions).

C. An Art Experience Throughout King Township

It is important for our event to stand out. Have you considered demonstrating an aspect of your work during the tour? This can be done live or via technology. Another option is to use social media/technology prior to the event to show the beginnings of a piece of your art or the process, perhaps bring that piece to the tour so your followers can see the final reveal. These are all suggestions with the goal for each artist to be motivated to share what is unique about himself/herself and to create excitement and interest in the tour and his/her studio. If you have other ideas, please feel free to share as we appreciate any thoughts and effort into creating a successful studio tour experience. King has a fantastic arts scene so let's continue to celebrate OUR art experience.
